City of Garland
Drought Contingency Response Plan
Water Restrictions Comparison

The following is a summary of the four stages of the City of Garland's Drought Contingency Response Plan. To view the entire plan, visit **www.garlandwater.com.**

Conservation Practices — YEAR ROUND

No lawn watering with sprinklers between 10 a.m. and 6 p.m. all year long

Limit lawn watering to no more than twice a week

No watering during any precipitation

Watering with hand-held hose, soaker hose or drip irrigation is allowed at any time

STAGE 1 — Reduction Goal 2 %

Lawn watering is limited to two days a week and customer can choose those days

Watering with hand-held hose, soaker hose or drip irrigation is allowed at any time

Minimize non-essential water use

STAGE 2 — Reduction Goal 5 %

Lawn watering is limited to two days a week on Tuesdays and Saturdays only

Watering with hand-held hose, soaker hose or drip irrigation is allowed at any time

Minimize non-essential water use

Postpone new landscaping until drought has passed

No planting of cool season grass

STAGE 3 — Reduction Goal 10 %

April through October lawn watering is limited to one day a week on Saturdays only
November through March lawn watering is limited to one day every other week (twice a month) on the Saturday that coincides with customer's recycling schedule

(To determine your recycling schedule, visit: **www.garlandenvironmentalwaste.com** Businesses who are not customers of Garland's Environmental Waste Services can determine which Saturday to water based on the area of town their business is located.)

Watering with hand-held hose, soaker hose or drip irrigation is allowed at any time

Postpone new landscaping until drought has passed

No planting of cool season grass

Existing swimming pools, hot tubs or spa-type pools may not be drained and refilled

No operation of ornamental fountains/ponds except to support aquatic life

No washing down of exterior hard surfaces

STAGE 4 — Reduction Goal Whatever is necessary

No lawn watering at any time

Restrictions listed in Stage 3 apply to Stage 4 along with these additional restrictions:

Use of water to wash any vehicle, motorcycle, boat, trailer or airplane is prohibited

Permitting of private pools is prohibited

Foundations/trees/landscape may be watered with hand-held hose, soaker hose or drip irrigation up to two hours a day
