Eddy Luna

Animal Services appreciates donations anytime of the year! We use a tremendous amount of supplies to keep our homeless animals fed, healthy, and comfortable! Donating wish list items is a great way to support the staff and the animals of our shelter. Click the link below to for supplies we could use at the shelter each and every day!

Reunited and it feels so good!
This lady was missing her cat for 2 years when she was contacted that her cat was

Scarlette Hernandez
Aaron Bixler
Justin Peachee

Kennel Technician
Reinaldo Zavala

Outreach Coordinator
Amy Dunphy

at the shelter. We were able to scan the cat for a microchip and finally tracked down the owner! Gotta love happy reunions!

Animal Services has partnered with a small business in order to support local businesses in Garland. The family owned store reached out to Animal Services just curious about how they can help their local shelter and the animals. After much planning and discussing, Puppy and Friends became ready to adopt out homeless dogs. They are not making a profit on the animals that come into the store looking for a home. Puppy and Friends are simply giving the shelter animals the extra love they need to find their forever homes. The animal shelter could not be more excited about this partnership. Puppy and Friends Pet Supply located at 5255 North George Bush Suite 500. Please stop by our contact them at 972-496-1111 or puppyandfriendsco@gmail.com. Follow them on [Facebook](#) to see what new furry friend is spending time at the pet supply store.

Future home of Animal Services!

Driving down Hwy 66? Check out the future home of Garland Animal Services! The sign can be seen on Hwy 66 just before you hit

Centerville. Shelter staff and citizens are excited to see how the new shelter makes an impact for the community.

Picking Up Owls are a HOOT!

Officer Jones (not pictured) received a call about a large owl that was stuck in a backyard. Turns out the owl was injured and quite scared. He was able to safely handle the owl and bring him the shelter. It was not too long before a wildlife rehabilitation facility was able to stop by and pick him up! Way to go team!

DOCTOR PAUL SPEAKS AT CAREER DAY

Doctor Paul DVM, CVA, CVFT went to Richland College to speak to

middle school students about what her field of work at Animal Services. The students had a lot of great questions about animal care and taking steps towards veterinary medicine. We can't wait to see what the future holds for these students!

Outreach with the SPCA

Officer Luna and Outreach Coordinator Amy Dunphy partnered with the SPCA at Plaza Garland on January 25. The goal was to reach out to the Spanish speaking community of Garland in hopes to encourage responsible pet ownership. Staff had a great time working with the SPCA and can't wait to see what partnerships will continue!

State of the City

Outreach Coordinator Amy Dunphy attended the State of the City event. There was quite the positive turnout of people. Lots of citizens came to the animal services table with great questions about city policies and responsible pet ownership. We love every educational opportunity we can get!

Old news became new when The Dodo found a 9 year old YouTube video of Officer Craft saving a puppy stuck in a citizens backyard. The Dodo is a popular animal blog that shares heartfelt stories of animals on the internet. The video has 168 thousand views and 3.4 thousand comments. Hard work really does pay off!
