

Welcome to the March 2021 edition of *Street Talk*, updating you on street and other roadway and infrastructure projects in Garland.

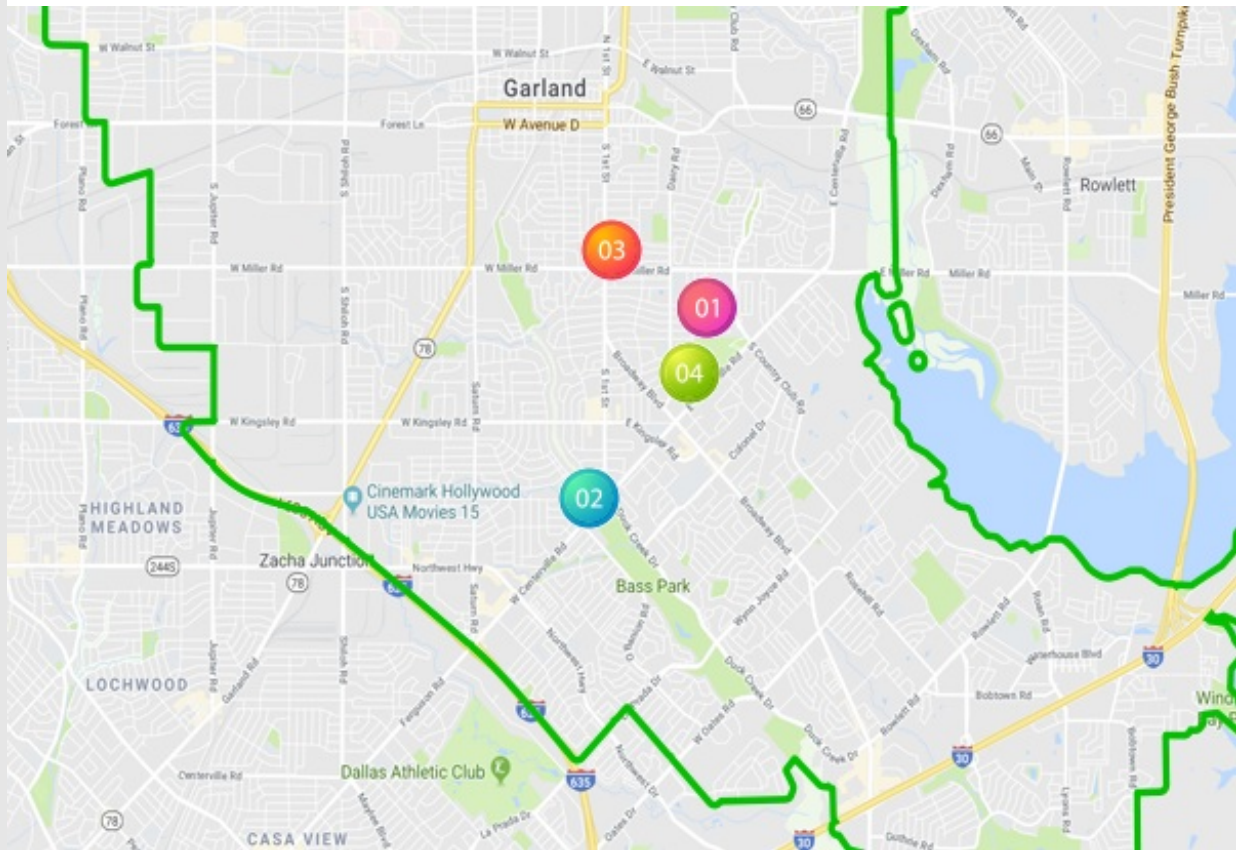

## Bobtown Road Project

If you drive on Bobtown Road near Rowlett Road, you have noticed the ongoing work near Rosehill Road. This \$10 million project is scheduled for completion in mid-2022. Everything is going as planned, with utility work starting between Rosehill Road and Waterhouse Boulevard over the next several weeks.

Next month, paving between Rosehill Road and Rowlett Road will begin. Oncor will also be working on Rosehill Road between Interstate 30 and Bobtown Road installing electrical conduit to allow the removal of overhead electric lines and facilitate the Rosehill Streetscape project along that segment. Stay tuned for more updates!

For more information, contact Senior Field Engineer Mike Rozelle at [972-205-2174](tel:972-205-2174).

The following street reconstruction projects are scheduled to begin in March and April:

1. Arcady Drive (Linda Drive to south cul de sac)
2. Glenbrook Drive (Carroll Drive to Centerville Road)
3. Glenfield Drive (Cumberland Drive to First Street)
4. Monica Drive (Arcady Drive to Dairy Road)

If you are interested in learning about other active alley reconstruction, street reconstruction and street rehabilitation projects, visit the [Street Department Current Projects](#) webpage to view the list of all current construction projects.

## Special Thanks to the Street Department

The recent winter storm is still impacting many residents in the Dallas-Fort Worth area. We want to highlight the City of Garland's efforts to keep our residents informed and safe. We also want to give a very special thanks to the Street Department.

They had crews out on the streets 24 hours a day during the winter storm emergency. They were out sanding the city's major streets, intersections—and bridges. These actions made our roadways safer for those who had to drive during the dangerous weather.

## 635 East Project: Stay Connected

635 East Project Logo

As the year progresses, more scheduled work will continue, so if you commute through the areas impacted by the 635 East Project, make sure to stay connected.

Sign up for text alerts by sending the message "635 East" to 31996 and sign up for [e-blasts](#). Visit [635east.com](http://635east.com) for information about the project.

Visit [GarlandTX.gov/Garland635Info](http://GarlandTX.gov/Garland635Info) for information specific to Garland.

## Check Out Our New YouTube Channel

Great news! We have created our very own Street Talk YouTube channel. [Subscribe today](#). All of our past videos are now available and our new videos

will be posted there.

The image shows a YouTube channel banner for "Street Talk". The banner features a dark background with a person's legs and feet on a street. The text "Street Talk" is written in a white speech bubble. Below the banner is a navigation menu with "HOME", "VIDEOS", "PLAYLISTS", "CHANNELS", "DISCUSSION", and "ABOUT". A large red "SUBSCRIBE" button with a hand cursor icon is overlaid on the right side. Below the navigation menu is a section for "Uploads" with a "PLAY ALL" button and a row of video thumbnails. The thumbnails include titles like "Street Talk - PCI Index", "Street Talk - Flood Gates", "Street Talk - Oct 2018", "Street Talk - Alley Repair and Reconstruction", "Street Talk - Preparing for Winter Weather", and "Street Talk - Street Maintenance Shop".

We will continue to accept maintenance requests through all portals, including [eAssist](#), email ([Street@GarlandTX.gov](mailto:Street@GarlandTX.gov)) and phone (972-205-3555).

Stay connected and give us feedback! Also, don't forget to check for updates in the [Garland City Press](#), NextDoor and other [social media outlets](#).
