Elements of Life

- **Location**: 506 Art on Main St.
- **Artist**: Ricardo Paniagua (@ricardo_paniagua)
- **Description**: Geometric totem sculpture
- **Representation/Story**: The work features a 14-foot steel sculpture, reaching for the sky and cascading down in geometric patterns of three prominent colors. The piece is intended to enrich the civic landscape by balancing the historic locale with strong lines and bold colors to reinvigorate the established space. The geometric design compels, challenges and educates residents and visitors.
- **Installation date**: November 2018
