2 ADMINISTRATION AND STATUTORY AUTHORITY

- 2.1 Antoinette "Toni" Pippins-Poole (hereafter referred to as Toni Pippins-Poole) is the duly appointed County Elections Administrator of Dallas County, Texas and the Department Head of the Dallas County Elections Department (DCED). As such, Mrs. Pippins-Poole is the County Election Officer of Dallas County, Texas and is thereby authorized by Subchapter D of Chapter 31 of Title 3 of the Texas Election Code to enter into this joint election agreement and election services contract with the contracting authorities of the participating political subdivisions listed in Section 1 of this contract.
- 2.2 The contracting authorities of the political subdivisions listed in Section 1 of this joint election agreement and election services contract are hereby participating in the joint election to be held in Dallas County, Texas on May 11, 2013 pursuant to Chapter 271 of Title 16 of the Texas Election Code and are hereby contracting with the Elections Administrator of Dallas County, Texas to perform the election services set forth herein pursuant to Subchapter D of Chapter 31 of Title 3 of the Texas Election Code.
- 2.3 DCED agrees to coordinate, supervise and handle all aspects of administering the Joint Election in accordance with the provisions of the Texas Election Code and as outlined in this agreement. Each contracting authority of each participating political subdivision agrees to pay DCED for equipment, supplies, services and administrative costs as outlined in this agreement. DCED will serve as administrator for the election; however, each participating political subdivision remains responsible for the lawful conduct of their respective election.

3 LEGAL DOCUMENTS

- 3.1 Each participating political subdivision will be responsible for preparation, adoption and publication of all required election orders, resolutions, notices and any other pertinent

documents required by their respective governing bodies.

- 3.2 Each participating entity will be responsible for making the submission required by the Federal Voting Rights Act of 1965, as amended, with regard to administration of the Joint Election. A copy of the submission will be furnished to DCED by each participating political subdivision. Any other changes which require preclearance by the U.S. Department of Justice will be the responsibility of each participating political subdivision. Preparation of necessary bilingual materials for notices and preparation of the text for the official ballot will also be the responsibility of each participating political subdivision. Each participating political subdivision will provide a copy of their respective election notices and justice submission to DCED.

4 DIRECT RECORD VOTING SYSTEM/OPTICAL SCAN

- 4.1 Each participating political subdivision agrees that voting at the Joint Election will be by use of a direct record and optical scan voting system approved by the Secretary of State in accordance with the Texas Election Code. DCED will be responsible for the preparation of programs and the testing of the direct record system and optical scan system used for tabulating the ballots. Testing of the direct record equipment will be conducted at the Elections Department, 2377 N. Stemmons Frwy, Suite 820, Dallas beginning Tuesday, April 23, 2013 at 10:00 am and testing of the optical scan equipment will be conducted at the Election Equipment Warehouse, 1506 East Langdon Road, Hutchins beginning Thursday, April 11, 2013 at 10:00 am, and before ballots are tabulated at the scheduled polling locations listed in Section 13 of this contract and Attachment "B" by the presiding judges. At least 48 hours before the date and hour of the first testing of each type of equipment, DCED shall publish a newspaper notice of the date, hour, and place of the testing. DCED agrees to establish ten (10) regional sites and a central counting station to receive and tabulate the voted ballots and provisional ballots as outlined in Section 9 of this agreement.
- 4.2 DCED agrees to provide direct record tabulators, precinct tabulators, and voting booths for the Joint Election. The Gemini voting booth allocation will be based on providing one (1) Gemini for each 300 registered voters in each election precinct unit, not to exceed six (6) Gemini voting booths in any given precinct unit, one (1) Americans with Disabilities Act (ADA) Terminal per location, one (1) precinct tabulator in any given precinct unit, and not to exceed at any given time eight (8) iVotronics and two (2) Master PEB's per early voting location.
- 4.3 It is estimated that 1,300 Gemini's, 380 precinct tabulators, 290 iVotronics, 380 ADA Terminals, and Master PEB's will be needed to conduct the May 11, 2013 Joint Election. The cost of the direct record voting system for the election will be determined by multiplying the total number of iVotronics by \$250.00 each, ADA Terminals by \$300.00 each, and Master PEB's at no cost. The cost for the use of the Gemini voting booths will be \$35.00 each. The cost for the use of the precinct tabulators will be \$468.00 each (See Attachment "A"). It is agreed by all of the participating political subdivisions that ADA voting terminals will be used during the Joint Election in accordance with the Help America Vote Act of 2002 (HAVA), and that the said terminals will be part of the Joint

Election Agreement.

5 VOTING LOCATION

- 5.1 DCED will select and arrange for the use of and payment for all voting locations, subject to the approval of each participating political subdivision. Voting locations will be, whenever possible, the usual voting locations for the precincts. Voting precincts may be combined by mutual agreement between the participating authorities. The proposed voting locations are listed in Attachment "B" of this agreement. In the event a voting location is not available, DCED will arrange for use of an alternate location with the approval of each participating political subdivision affected by the change. DCED will be responsible for submitting any polling location changes to the Department of Justice for pre-clearance. DCED will notify each participating political subdivision of any changes from the locations listed in Attachment "B".
- 5.2 DCED will send each participating political subdivision a final version of Attachment "B", as amended which reflects the actual locations to be used on the day of the election. DCED will send a written notice by U.S. Mail to any registered voter whose precinct polling place location has changed since the preceding election ordered by each political subdivision.

6 ELECTION JUDGES, ALTERNATE JUDGES, CLERKS AND OTHER ELECTION PERSONNEL

- 6.1 DCED will be responsible for the appointment of the presiding judge and alternate judge for each polling location subject to the approval of each participating political subdivision. DCED shall arrange for the training of all presiding judges and alternate judges. The proposed election judges and alternates are listed in Attachment "C" of this agreement. If a person is unable or unwilling to serve, DCED will name a judge for the precinct and notify each participating political subdivision affected by the change.
- 6.2 In compliance with the Federal Voting Rights Act of 1965, as amended, precincts containing more than 5% Hispanic population, according to the 2010 census statistics, are required to have interpreter assistance. If a presiding judge of such a precinct is not bilingual and is unable to hire a bilingual clerk, DCED may recommend an individual to provide interpreter assistance. If DCED is unable to recommend an individual to provide interpreter assistance for such a precinct, DCED shall notify the participating political subdivision which shall then be responsible for recommending an individual to provide interpreter assistance for such a precinct. In the event that a bilingual clerk is hired by DCED for a precinct required to have interpreter assistance, the bilingual clerk shall be paid according to a rate set by DCED. DCED shall then charge that expense to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in Section 1 of this joint election agreement and election services contract. A participating political subdivision may pay a greater amount of money to a bilingual clerk than the rate set by DCED, however that expense shall be borne by that participating political subdivision individually and that expense shall not be charged to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in Section 1 of this agreement.

6.3 DCED is responsible for notifying all election judges of the eligibility requirements of Subchapter C of Chapter 32 of Title 3 of the Texas Election Code and Section 271.005 of the Texas Election Code, and will take the necessary steps to insure that all election judges and alternate judges appointed for the Joint Election are eligible and qualified to serve. According to Section 32.031 (a) of the Texas Election Code, the presiding judge for each election precinct shall appoint the election clerks to assist the judge in the conduct of an election at the polling place served by the judge.

6.4 If a participating political subdivision recommends a person not listed in Attachment "C", and that recommendation conflicts with the recommendation from any of the other entities involved in the election in that precinct, DCED will conduct a drawing by lot from the recommendations to determine the election judge. Once a person has been notified of his/her selection as election judge, no changes may be made by any of the participating authorities, unless that person becomes ineligible to serve as an election judge in the Joint Election.

DCED will send each of the joint participating political subdivisions an updated version of Attachment "C" which reflects the names of judges who were sent the letter requesting service for this election. A final version for Attachment "C" which reflects the name of the judges who actually presided on the day of the election will be sent to each participating political subdivision. Any entity electing to pay their election workers for attending a training class or lab must bear that expense separately from the funds deposited into the joint election account.

6.5 DCED will hold two (2) public schools of instruction on the use of optical scan card voting equipment, ADA terminals and election laws on Saturday, May 4, 2013 from 10am – 12pm, and Thursday, May 9, 2013, from 7pm - 9pm in the Central Jury Room, Frank Crowley Courthouse, 133 N. Industrial Blvd, Dallas, Texas 75207. Election Judge training labs are scheduled for Thursday, May 2, 2013 from 10am – 4pm, Saturday, May 4, 2013 from 9am – 4pm, Tuesday, May 7, 2013 6pm – 9pm, Friday, May 10, 2013 from 10am – 2pm at 2377 N. Stemmons Frwy. 8th Floor, Dallas, Texas 75207. No election judge will be appointed unless he/she has attended an election judge training session taught by DCED in the past eighteen (18) months and on the optical scan and direct record systems. However, participating entities may request that judges appointed for the Joint Election should attend one of the scheduled training sessions.

The election judges are responsible for picking up election supplies at the time and place determined by DCED (which will be set forth in the election judge letter requesting service for this election). Each election judge will receive \$9.00 per hour and each clerk will receive \$8.00 per hour (for a maximum of 14 hours). The election judge will receive an additional \$25.00 for picking up the election supplies prior to Election Day and for delivering election returns and supplies to their designated regional drop off site.

6.6 DCED will employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies and equipment assistance during the period of early voting and on election day, and for the efficient tabulation of ballots at the central

counting station and regional sites. Part-time personnel will be paid an amount agreed to by the participating authorities as outlined in Attachment "A".

Part-time personnel working in support of the central counting station and regional sites on election night will receive pay for at least four hours, minimum call for service, regardless of the actual hours worked. (Attachment F)

The form furnished to you by DCED Central Counting Station electronically, shall be delivered to DCED in a **Microsoft Word Format** electronically as soon as possible after ballot positions have been determined by each of the participating authorities. Each participating political subdivision will be responsible for proofreading and approving the ballot in so far as it pertains to that authority's candidates and/or propositions.

8 OPTICAL SCAN CARD BALLOTS

- 8.1 The ballot allocation for this election is based on providing enough ballots in every reporting precinct to handle the same turnout as in comparable elections plus thirty-five percent 35% of that number, for an original allocation of no less than 25% of the registered voters.
- 8.2 Approximately 5,000 additional ballots will be available for Early Voting by Mail and for use on Election Day to respond to any precinct requesting additional ballots.

9 RETURNS OF ELECTIONS

- 9.1 DCED will be responsible for establishing and operating the central counting station to receive and tabulate the voted ballots in accordance with the provisions of the Texas Election Code and of this agreement.

Each political subdivision must notify DCED if such a waiver has been granted or denied twenty (20) days before the election.
