

**Give Water the Boot,  
Plant TEXAS Roots!**  
SMARTSCAPE™

[www.txsmartscape.com](http://www.txsmartscape.com)

# *Texas SmartScape Month!*

SmartScape plants are native and adapted to the North Texas area, therefore require less water and fertilizers to thrive. Information on the [txsmartscape.com](http://txsmartscape.com) website will assist you with the following:

- Compost & Mulching
- Pest Control
- Stormwater run-off
- Drought tolerant plants & placement
- Water efficiency
- Reduction of fertilizers

**GARLAND**

**STORMWATER  
MANAGEMENT**

If you would like more information or to report stormwater pollution, please call our hotline, 972-205-2180.
