What is "E-Waste"?

E-Waste is any electronic equipment that has reached its 'end-of-life' or 'end-of-usage,' whether in working or non-working condition and includes:

Accepted Free of Charge: Monitors, TVs, Computers, Laptops, Printers, Copiers, Scanners, Faxes, Main Frames, Harddrives, Circuit Boards, Cell Phones, Cordless and Corded Phones, Stereos, DVD players and other consumer electronics, as well as small household appliances including Microwaves, Blenders, Shavers, etc.

Also collected for FREE: All ink and toner cartridges; all types of batteries; and eye glasses for Lion's Club.

Responsible Recycling by ECS Refining

Secure on-site shredding by Alliance Document Shredding
