Change of Zoning

STAFF APPLICANT

- Written Detailed Description of request including how the request considers the following factors:
 - Whether the proposed change of zoning change implements the policies of the adopted Comprehensive Plan
 - Whether the uses allowed by the proposed change will be appropriate in the immediate area concerned and their relationship to the general area and the City as a whole;
 - Whether the proposed change is in accordance with any existing or proposed plans for providing public schools, streets, water supply, sanitary sewers, and other utilities to the area;
 - The amount of and development absorption (or redevelopment) rate of vacant or underutilized land currently classified for similar development in the vicinity and elsewhere in the City, and any special circumstance which may make a substantial part of such vacant land unavailable for development;
 - How other areas designated for similar development will be, or are unlikely to be, affected if the proposed amendment is approved, and whether such designation for other areas should be modified also; and
 - Any other factors which substantially affect the public health, safety, morals, or general welfare.

REQUIRED

Acknowledgments

I understand that all required information and plans must be submitted with this application or the application be deemed incomplete as per Section 1.16 of the Garland Development Code

I hereby authorize the placing of a sign on subject property indicating a zoning change is under consideration.

I understand the requirements of the zoning classifications as stated in the Garland Development Code related to this request and will comply with all necessary requirements of the City codes. I am aware that the City Council has the power to zone land as most appropriate in their wisdom, to promote the health, safety, and morals and for the protection and preservation of places of historical or cultural importance, and the general welfare of the community.

The City of Garland will not accept any application for rezoning if property taxes or liens are outstanding or delinquent. Any property taxes or liens owed to the City of Garland must be paid in full prior to being accepted by the Planning Department.

It is a misdemeanor to give false information to a City employee or an agent of the City, punishable by a maximum fine of \$1,000.00.

I have read and understand this application and certify that all information and attachments are true and correct. I certify that I am the owner of the property involved in this request or have authorization to act as the owner's agent for the request described. Applicants (or a representative) are expected to be present at all public hearings concerning this application to justify and explain their request and to answer questions posed by the City Plan Commission and City Council.
