### Jupiter Road Lane Closures beginning Aug. 1 for Water Line Construction in Richardson

**WYLIE, TX – July 28, 2016:** Beginning Monday, August 1, traffic on Jupiter Road between Springpark Way and N. Cliffe/Heather Hill Drive in Richardson will be reduced to one lane northbound and southbound for installation of a water line and fire hydrant at the Spring Creek wastewater lift station operated by the North Texas Municipal Water District. Construction work and lane closures are anticipated for up to three weeks. *(See map below)*

Electronic signs are posted to communicate lane closures. Drivers are asked to use caution in the construction area and to consider using alternate north/south routes, such as N. Plano and N. Shiloh roads, to avoid delays.

###

#### **About NTMWD**

The North Texas Municipal Water District is a regional wholesale provider of water, wastewater and solid waste disposal services for approximately 1.6 million residents in the north Texas counties of Collin, Dallas, Denton, Fannin, Grayson, Hopkins, Hunt, Kaufman, Rains, and Rockwall – a service territory covering 2,200 square miles. For more information, visit [NTMWD.com](http://NTMWD.com).
