

## **D.I.Y. Garland** is an “added value” experience!

- Increase property value
- Improve home improvement knowledge
- Expand partnership network

### **Exterior Painting**

What’s old can look new with a fresh coat of paint.

### **Landscaping**

Attend “Resuscitate Your Landscape” to discover simple, drought tolerant ways to experience and maintain an appealing yard.

### **Fencing**

A great looking fence may not be as difficult as you think. Learn basic fence maintenance and appropriate steps for replacement

### **Windows & Doors**

A simple replacement door can add significant curb appeal. Replacing broken windows improves safety and energy efficiency.

### **Upcoming Classes:**

April 24 Resuscitate Your Landscape

May 29 Windows & Doors

June 26 Energy Efficiency
