

FOLLOW US AND LEARN ABOUT BEING GREEN IN GARLAND!

Lawn watering is limited to one day every other week based on the customer's Recycling Schedule.

Single stream recycling is easier than ever — just mix it together. No more separation of recyclables. Recycle More NOW.

Upgrading to a high-efficiency A/C unit? Check out GP&L's EnergySaver Program — it may help offset the cost.

GP&L
EnergySaver
PROGRAM

Help the fish breathe this summer, keep grass clippings out of the street!
