

GARLAND

COUNCIL TRANSPORTATION WORKSHOP

HYATT PLACE GARLAND
5101 N. PRESIDENT GEORGE BUSH HWY.
GARLAND, TEXAS 75040

MONDAY, OCTOBER 19, 2015
6:00 p.m.

The City of Garland staff will present lane configuration options for the IH-635 East Project and their advantages and impacts along with transportation funding options to assist Council in developing an updated policy:

1. Review of IH-635 East existing solutions
2. Purpose of New Policy – a new policy position by the Garland Council is needed based on the recent funding and engineering developments
3. Managed Lane Review – a review of the history and purpose of managed lanes will be presented to Council
4. Financing – Council will be briefed on the transportation financing in Texas and potential financing options for the reconstruction of IH-635 East
5. Discussion of Alternatives – Council will be briefed on the advantages and impacts of the various lane configurations that have been discussed during the past year
6. Proposed Policy – elements of a new policy will be discussed by the Council
